### Valentine messages, cont'd from p.1

Dear Glenn (BCL II)

You're a man among men  
You get better with age  
Rather than fight over you  
We want to "do you" with rage

Love and kisses, Secret Admirers

\*\*\*\*\*

To Alison:

Though I'm old and my breath does stink  
You gently scratch my head.  
You give me food, you give me drink,  
You let me share your bed.  
And when you wake, mouth full of hair,  
You'll know that I've been there.

Love, Toby

(Quid Valentine Award: Cutest)

\*\*\*\*\*

To K.M.,

Even though your name's Kathleen  
This rhyme needn't be obscene.  
Yet all I know is that I'd be a lucky fella'

\*\*\*\*\*

H.

J'ai appris à m'inquiéter et à me réjouir,  
de tes moues et de tes sourires,  
Je n'écris ce petit valentin  
Que pour te voir un peu rire ce matin.  
A.

Un gros bec (sec!) pour les procureures de l'appelante. Si le vieux Pierre-Basile était encore ici, il vous aurait sûrement choisies, car il les aimait savantes et charmantes.

To all those fabulous females (sorry, I should say "women", but I can never resist alliteration - how about "wonderful women"? ) who have uncritically made my years in Montreal bearable and bareable, thanks for your ears and your wisdom, as well as for those photo opportunities which have paid for my many travels...  
You know who you are!

Love, "I am what I am" (or so everybody hopes)

Energize me.

Your secret admirer. xxoo

The man from Manitoba

\*\*\*\*\*

D.J.M.W.

\*\*\*\*\*

To the short, curly, blond-haired guy in  
LLB III

I think I left my panties in your  
suitcase.

Dear Baboonz,

How do I love thee?  
Let me count the ways...Nah!  
Let's count them together later.

I love you, Babe. Boobie.

\*\*\*\*\*

An Ode to Tweety-Bird, with Love  
from the Bug

When you are a tweety-bird  
You tweety all the time,  
So on this hallowed Valentine's  
Won't you say you will be mine?

When you eat your ice-cream  
You eat it with a spoon,  
And on this joyous Valentine's  
I can't help myself but swoon.

When I see you "sitting quietly"  
in the Pit or Special K  
I become so uncontrollable  
That I have to scream "H'ray!"

Tax with Durnford was lots of fun  
even if 'twas in Moot Court  
And even if you did beat me  
me thinks I've been a real good sport.

While law school might be coming to  
an end  
Our love affair's surely not;  
I'll always hold in my hear for you  
An inviolable, cherished (G-) spot.

You prob'ly think this poem stinks  
And that its message's useless  
As long as emphyteusis  
[Remember, Bill 20 increased it to 100  
years from 99!]

And so my dear, accept my wish  
Of Happy Valentine's Day  
Just be sure to keep in mind:  
A Bug never goes away.

Holly Hunter (a.k.a. K.P.)

I am your chair you are my table  
I find your lips irresistible.  
If I had a \$100 I would buy you a pair  
of shoes.  
Ah, my little J-cloth.  
Alas j'aime autant vous le dire  
C'est moi qui l'ai tué.  
Please don't cry  
This is not an importune moment, is it?

\*\*\*\*\*

Council decisions, watermelon candies

Egyptian cotton shirts.

For a good 'tome' call S. "I'm easy, I  
swear!!"

\*\*\*\*\*

To Dino "there's no harm in asking"  
Mazzone:

Hand-shaking, liberal schmoozing  
To keep Chrétien's campaign a-moving  
Smoother than Jeff, slicker than Dan:  
If he can't do it - Sheila Copps can!

(with a big kiss from J.)

\*\*\*\*\*

P.S. Perceval a fini par trouver le  
Graal: il a su attendre...

To S.H.

See - I do have feelings

Love, Einstein

\*\*\*\*\*

To K.M.

I'm sure I'm not the only love-struck  
swain lounging for you on Valentine's  
Day, but I persist nonetheless. Let's do  
the wild thing!

Take-a-guess

\*\*\*\*\*

To C.S.

You know what they say about women  
with broken legs, eh?  
You're gonna have to face it; you're  
addicted to love.

Your partner-in-tortes.

\*\*\*\*\*

To L.N.

Wait - what is it you said about  
flowers?

The Go-Between

\*\*\*\*\*

I have been glad to learn of your

Don't forget the home arts in your  
quest for success.

Eunice.

\*\*\*\*\*

To Professor Toope

There are professors I'll remember  
Some forever though not for better  
Some not at all & some a bit  
But of all my law school teachers  
There's been no one as great as you  
I know I'll often think about you  
In this law school I've liked you most.

Prospective Graduate

\*\*\*\*\*

Prof. Jutras,

When I'm around you I feel like I have  
a legal obligation to act unreasonably  
I can no longer discern right from  
wrong, causing me to breach many  
explicit norms.

Exonerate me from this incapacitating  
passion.

Prof. Stevens:

Prof. Boodman

Handsome, compassionate, intelligent

Prof. Webber,

When I see you I become immoveable  
with desire.

Prof. Harvison-Young:

My feelings are not remote and they  
cannot be mitigated:

Pray, determine the value of my  
bargain

And award my expectation interest!  
...Okay?

\*\*\*\*\*

Prof. Stevens

We have relied on your charm  
to our detriment  
From our state of unrequited love  
No recovery will be granted  
Won't you be our  
non-consensually received  
and retained  
Valentine?

### "Sex, Laws & Videotape"

The Skit Night Committee wishes to thank all those students and professors who made suggestions for the Skit Night Theme Contest - it generated a great deal of interest within the faculty! This year's theme will be "Sex, Laws & Videotape" with emcees Kate Lannin, Stuart Chelin and Michael Morris.

With Skit Night only weeks away (March 15) it's not time to start writing! Anybody interested in performing a skit or song must submit a written draft including name and telephone number to the Skit Night mailbox in the L.S.A. office by **Wednesday, February 21**. Song writers are encouraged to submit lyrics for possible inclusion in the program.

It is not necessary that the material be specifically related to the theme. We would particularly encourage those who volunteered other theme suggestions to further develop them, as all demonstrated great potential as skits.

For further information, contact: Colleen O'Brien, 933-8861, Drew Berman 485-2649 or Seth Delfen, 735-6940.

## Common Room Rocks for the Innu

by Colin Baxter, National  
Program IV

On the first night of February,  
the usually all-too-tranquil halls  
of Old Chancellor Day rocked  
with folk and festive music until  
the wee hours! A combination  
of visiting and in-house talent  
highlighted a wonderful evening  
of fundraising for the Innu,  
which was co-sponsored by  
L.S.R. and Women and the Law.

Among the performing artists  
were "Smoothy and the Bood-  
man" featuring Kurt Johnson and  
Marty Boodman, and the Frozen  
Mukluk Ensemble, in its various  
incarnations. Ann Martin and  
Terry Tobin provided their  
typically impeccable renditions  
of timeless hits, and invited in  
some extremely talented friends  
as well.

The organizers would like to  
extend a special thank-you to all  
the performers (YEAH!!) and to  
all who helped out with the  
baking, set-up and take-down,  
and with the actual running of  
the evening, in every little  
aspect! Besides a fun time for  
all, the good news is that we  
cleared roughly \$750 profit,  
which must surely constitute  
some sort of record! Thanks to  
all for their generosity... let's  
keep it up!

**The dramatic conclusion:****Ode to a Rock Critic**

I'll never sing with Husker Dü  
With Megadeath I'll never play  
But constantly I think of you  
You're Otis to my Monterey

My name won't make the Billboard  
chart  
In "Best Bets" you won't mention me  
All I can offer is my heart  
And it hasn't come out on C.D.

Each night with Griffin on a caper  
Records and tapes you get for free  
I look for you in Thursday's paper  
Sometimes it's all I get to see.

To be with you I'll sit through Gwar  
And hear the 'Mats a hundreth time  
I know how overworked you are  
But tell me once that you'll be mine

Dear Dags,

You're a sex bomb. By the way, where  
are you articling this week, Ghana?

\*\*\*\*\*

À ma petiti puce adorée ...  
Je sais, je viens de commettre le péché,  
De t'avoir ainsi, en public, interpellée  
Surtout, ne me quitte pas pour Hervé.

Dearest Adriana & Silvia

Time and distance have done little to  
diminish our love.  
Thanks for the best times ever.

Desperately seeking Dan:

I'm sorry. Now I know. Size is  
important. Meet me at Buchan.

Trandekticly yours, Gilda

Popsie, my love for you is  
Undeniably the  
Deepest, nay, the most  
Desperate feeling a man could have for  
a woman,  
In common parlance:  
Neat (really)!  
'nough said?

Dear H.D.

You may never win or even score  
But you're still 'supreme' to me.

Your H.D. forever truly.

...and then they were quiet for  
another year - or were they ??

## Quote of the week

Prof. Baker in Judicial Review  
reading from a B.C. C.A.  
unreported judgment:

"The concluding paragraph  
contains phrases like 'vague and  
uncertain criteria' ... 'uncontrolled  
discretion' ... 'arbitrary conduct' ...  
This is just the type of graffiti you  
see in Civil Service washrooms."

In Administrative Process:

Prof. Stevens: "That theory is  
secular natural law"

Student: "What is secular natural  
law?"

Prof. Stevens: "That was my first  
question!"

Student: "But I asked first!"
